**Schedule of Events  
(Revised 5/10/19))**

Please consult the printed program booklet issued on site for potential later changes. For potential changes to the auction schedules, please consult the printed Heritage auction catalogs on site, or visit the Heritage website, [www.ha.com](http://www.ha.com).

**Note:**

Auction lot viewing will take place in Nirvana Ballrooms A-B of the Convention Center, located on the second level of the center to the left of the entrance from the hotel main lobby. Coin auction sessions will take place in Utopia Ballroom C, while currency auction sessions will take place in Utopia Ballroom D, both located on the second level of the convention center to the right of the entrance from the main hotel lobby. A dedicated world and ancient sale will take place in Utopia Ballroom B. For additional information about Heritage and its auction presentations, both at the Central States Numismatic Society and other conventions, visit its website, [www.ha.com](http://www.ha.com).

**New in 2020:** In addition to the dedicated world and ancient section in our 300+ booth bourse area added in 2019 by our inclusion of the Chicago Coin Expo as part of our convention, CSNS has also now added for 2020 the Professional Currency Dealers Association sponsored National Currency Convention as an integral part of our own event. The inclusion of these two formerly independent numismatic events in our Anniversary Convention will enhance and expand the scope and breadth of our offerings

The convention bourse will be held in Discovery Hall, located on the first ground floor level of the convention center. Booth holder and public registration will take place outside the Discovery Hall main entrance.

Convention meetings, programs and the security room are located on the second floor meeting room level of the convention center.
